

NORTHERN TERRITORY EQUESTRIAN CALENDAR

The following calendar has been compiled by the Equestrian Federation of Australia (NT Branch) Inc and incorporates not only equestrian dates for the NT but also some important interstate dates.

It should be noted that the Northern Territory Show Horse Association will be measuring horses on behalf of the EFA in 2009. Horses do not have to be EFA registered to be measured. All horses competing in an event where there is a height criteria must, if required, be able to produce a current EFA Measuring Card.

This calendar is not for sale.
