Dressage Competition Rules & Procedures - eff 01/01/2008

1.12.5 Competition/Bridle Identification Numbers

Two numbers - one on either side of the horse, must be attached to either side of the bridle or saddlecloth when competing.

Riders must ride in front of judges with identification numbers clearly visible. Riders are not required to stop and report to the Judge.
Extract (page 14)

Official Tests - to be ridden at allocated times i.e. no changes will be made.

Associate Tests - will begin at the time stated and not before.

However, due to possible scratchings within each class, you maybe required to ride up to 15 mins before your time. Therefore it is **ESSENTIAL** that you are on the grounds at least 30 mins before start of your class. Please make sure you check-in with the Gear Steward re scratchings upon arrival, then you will have a good idea of your riding time.

Good Luck!
